Highlights

Learning favorite keys
To have your 5 fovorite functions of your original remote available you can copy the signal transmitted from the original remote. If these are your/or your kids favorite channels you can even lock the remote to see any of the other channels.

Big button
Big buttons are larger size buttons on a remote to help read the label better. Additionally, pressing the button becomes more convenient, as the size has increased by 2 mm compared to the standard button remote size.
